Dear Kay,

Our Glenhazel Shop has now been open for four months and we are thrilled to meet the new customers that have come into the shop. We would like to invite anyone living near Kingswood Center in Glenhazel or nearby to visit the shop and see all the products on display.

Montego are running two Promotions on their products that are detailed later in the Newsletter.

Our new staff members are settling down well and recently have been active doing car window marketing.

We recently had a wonderful visit from one of our customers, who has now become our most distant customer. She is Shelagh Lubbock who now resides in

Woolgoolga Street
North Balgowlah,
New South Wales
Australia

What an interesting address! She visits Johannesburg a couple of times a year and always includes a visit to Happy Feed in Parkmore. She buys gifts for many of her friends still living in South Africa, who all love feeding birds, and she tells us all about the colourful parrots she sees in Australia. We have asked her to send us some photos to put in our newsletter

Sincerely,

Keith Quiding
