We would like to do something similar this spring. We will do a walk from

8 to 10.30 am and then return to the Tea Garden at the Centre for a **Champagne and Orange Juice breakfast** during which time there could be a lot of socializing and bird interest networking.

Our selected date is **Sunday 19th October 2014.**

Last time we had over 30 people and hope to increase it to 40 or 60 this year. We will split into two or three groups of 15 - 20 for the walk **The cost for the event will be R 130 per person payable by EFT.**

Lance Quiding CEO of Happy Feed addresses St John's Prep School

Happy Feed Bird Consciousness Project at St John's.

Last week Happy Feed launched a Bird Consciousness Project at St John's Prep School. Barbi Forsyth, Conservation Officer of the Witwatersrand Bird Club addressed the school on why it is important to care for and protect the wonderful asset the school has, in its bird population. Andy Featherstone, Chairman of the Wits Bird Club, has conducted a survey of the school grounds and identified over 30 species of birds. He will conduct a survey every three months, so as to establish how many species make the grounds their home over the period of a year.

Lance then issued a Challenge to the boys to make a Bird Feeder, predominantly from recyclable materials over the next two weeks for prizes of bird seed, peanuts, peanut feeders, suet and nesting boxes. To encourage all to take part there will be two draws, one for the Pre Prep, which is a prize of a book, "SAPPI BIRDS of South Africa" with a Call Finder Device that emits the call of the bird in the book, when the device is pointed at the picture of the bird. The prize for the draw for the Prep School will be a pair of Zeiss Arra Binoculars, a simply great prize for a young school boy.

Sisal Log hung horizontally for Wood Hoopoe.

Here are some of the Pre Prep boys, who were dressed in yellow to celebrate Roald Dahl's, birthday. Thereafter they were headed for a baking session, thus they were wearing the class made baker's caps.

Sisal Nesting Log and Spotted Eagle Owl Nesting box mounted on a tree.

We provide a hanging service in your garden. Call any of our shops.

AT www.happyfeed.co.za

The feedback we have so far received, is that the teachers, parents and boys all are enthusiastic and so we look forward to hundreds of unique bird feeders towards the end of the month

Groundbreaking bird guide unlocks sound from pictures

Birds of South Africa by Saartjie Kidson and Herman van Niekerk perfectly combines presentation and format with Callfinder® technology. Professionals and novices alike are ecstatic about the portable, user-friendly Callfinder® that unlocks sound from the pictures. Practical and logical grouping, interesting facts and user-friendly features make this publication a must for any nature lover.

Book and Call Finder available from all our shops and our website www.happyfeed.co.za at R 950 incl. VAT.

ZEISS

Zeiss Binoculars will soon be available from our shops. We will be stocking only those suitable for bird watching. Watch this space

Sincerely,

Keith Quiding

Time for nesting!

EBW 983 Terracotta Nesting House. Sparrow
Hand made and decorated Terracotta Nest House will attract Sparrows into your garden. Filled with nesting material, it is a magnet for our feathered friends. (Nest material included)

EBW 110 Wire Nesting Ball
This well made, artistically crafted wire nest will attract Sparrows and Finches to nest in the garden. Can be hung under the eaves of the house or hung from a branch in a tree in a secluded area. Filled with nesting material acts as a magnet to Sparrows. (Nest material included)

EBW 988 Terracotta Nest for Robin Chats
Hand made and decorated nest to attract Robin Chats into the garden. This nest can be attached to a nail against a wall or tree in a bushy secluded area. Robins are secretive birds and will favour a safe area to nest. (Nest Material included)

EBW 983 Terracotta Nest for Sparrows
Hand made and decorated nest to attract Sparrows into the garden. This nest can be attached to a nail against a wall or tree in the garden. (Nest material included)

EBW 922 Terracotta Nest for Sparrows
Hang this Wild Bird Nesting Bag late winter early spring to aid our garden friends with nesting material.

Time for nesting!

EW 140 Wooden nest Box
Hand decorated nest box. Can be used as decoration or hung under the eaves of a house, from a tree or wall. Suitable for Sparrows, Finches, Starlings and Barbets

EW 117 Barn Owl Nest Box
Attracting Barn Owls into your garden is a bit of a miss. By erecting an Owl Box will encourage them to stay and breed.

EW 145 Barrel Nest House
Gardens should be full of interesting nesting boxes. You never know what you will attract to nest. This Barrel Nest Box will attract Barbets, Sparrows, Starling and perhaps the odd Bushbaby in the area.
